This is a one storey house that is articulated in L shape, having a public volume (kitchen, living room and dining room) and a public volume (3 bedroom, 2 bathroom, 1 office space, 1 laundry/utility room). That are connected by a rounded hall with a curved glass that receives the user when arriving to the house, by the look of an olive tree and the big terrace/pool area oriented towards the south. The private area has a roof height above normal, decorated with wooden beams, wooden wall and kitchen panels. There is a massive large sliding window that is embedded on the wall when closed, connecting to a large pergola area that works as a buffer space in between the interior space and the pool terrace. The project also has an exterior storage space and a large pergola above the parking area. Alfaz del Pi located between Altea and Benidorm on the northern Costa Blanca in Spain. Alfaz del Pi is very close to Albir with famous for its beautiful sandy beach, the Playa de Racó de l'Albir, it has received many times over the European Union Blue Ribbon award.
